

REMARKS/ARGUMENTS

Claims 18, 19, 26, 27, 34 and 35 are active and allowed.

Claim 35 is amended to correct the simple issue of changing "solvent" to --fuel-- so that it is consistent with Claim 19, the claim upon which Claim 35 depends.

No new matter or new issues arise due to this amendment.

Entry is therefore requested.

For clarity, it was the undersigned who discussed this case with the Examiner on July 31, 2008 and who authorized the cancellation of the non-elected claims on August 1, 2008, not Mr. Oblon.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
